# DOE TRACTS

*July-August, 2023*

**Synod/Clericus 2023 is in the books. It was one of the best church meetings I have ever attended. The Holy Spirit was definitely at work. The Synod, which had the potential of being controversial and confrontational went very smoothly with all in agreement with the proposed changes. The EMC is on the move!**

**The worship services were awesome! The messages were uplifting and challenging. The music was beyond good.**

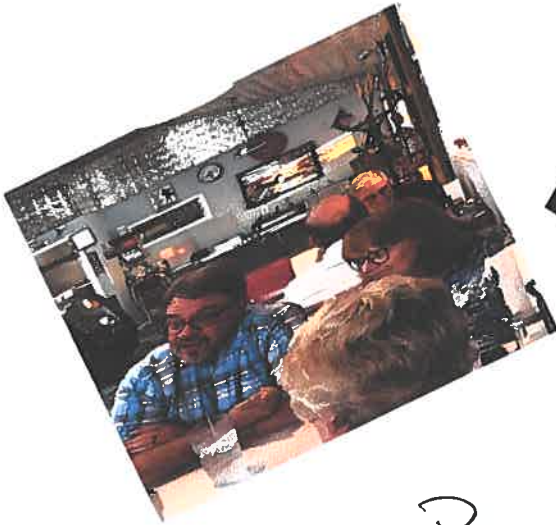

**The Clericus was very informative and edifying. The presenters each did a fantastic job.**

It was good meeting our Diocese of the West members from Cheyenne, Wyoming. As well as participants from Florida, Texas, Minnesota, Ohio, Maryland, Tennessee, North Carolina, Georgia, and Virginia. I apologize if I missed anyone.

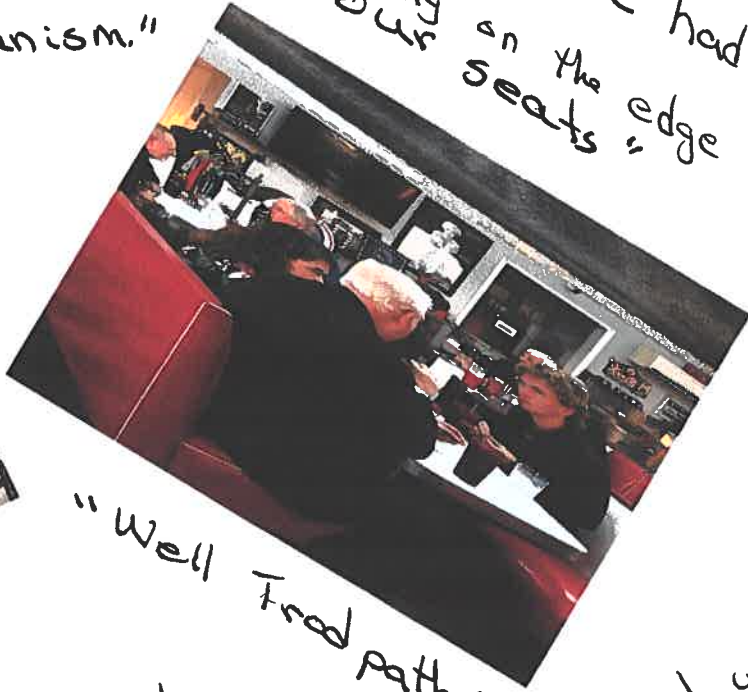

## Clericus 2024 will be held at St. Lukes, in Blue Ridge, Georgia
